THE ORACLE

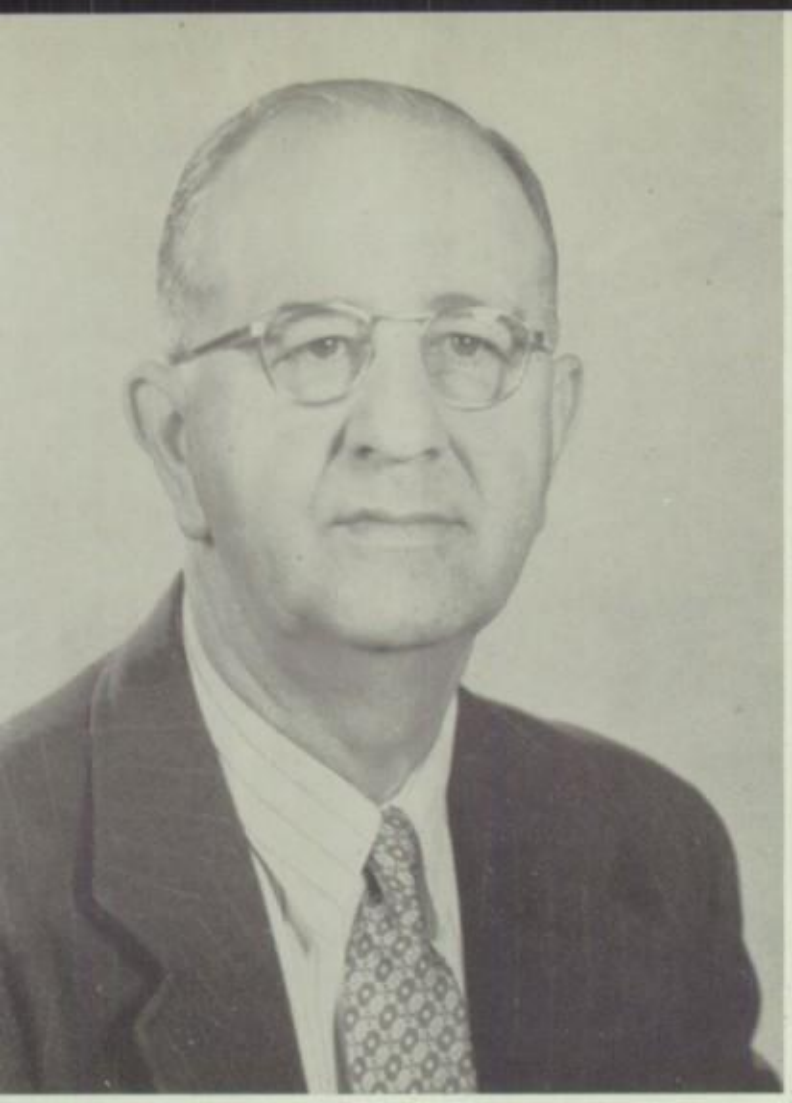
1956

TULLY CENTRAL SCHOOL

TULLY, NEW YORK



DEDICATION

The Class of 1957 proudly dedicates this Oracle to a man whose contributions toward the growth of our school, from infancy to it's present size, are immeasurable. Leichester G. Green has held a position of high merit in our school for many years.

His qualities of integrity, consideration, and understanding have won him the respect and friendship of his colleagues, students of T.C.S., and members of the community.

It gives us great pleasure to dedicate our Oracle to Mr. Green and we wish him the best of luck in his future plans.

1956 ORACLE STAFF

Advisor: MR. GARDNER

This book is your passport to memories
Of times so good and gay,
The memories you'll always remember
Upon life's long, hard way.

When looking through its pages,
The pictures will bring to mind,
The moments of your endeavor
And the teachers who were so kind.

We give to you this Oracle,
Your ticket to the past;
In it are the memories . . .
The ones that shall always last.

To the 1956 graduates of Tully Central:

Congratulations upon your reaching the goal of graduation! As you achieve this success in the pathway of life, I am sure you are proud, just as your parents and teachers are proud of you.

Just what is success? Almost everyone wants it, and we are sure we know some people who are successful. Some consider wealth or honor or high position as the culmination of success. Really, though, it's up to us to judge ourselves. Here's a little poem that says it pretty well:

"When you get what you want in your struggle for self
And the world makes you king for a day,
Just go to a mirror and look at yourself,
And see what that man has to say.

For it isn't your father or mother or wife,
Whose judgment upon you must pass,
The fellow whose verdict counts most in your life
Is the one staring back from the glass.

You may be like Jack Horner and chisel a plum
And think you're a wonderful guy,
But the man in the glass says you're only a bum
If you can't look him straight in the eye.

You may fool the whole world down the pathway of years
And get pats on the back as you pass,
But your final reward will be heartache and tears
If you've cheated the man in the glass."

May life bring you the opportunities you need to insure your own success and happiness.

Cordially yours,

John D. Crosley

LAST WILL AND TESTAMENT

We, the Senior Class of Tully Central School, County of Onondaga, State of New York, being of sound mind and body, do hereby make known our last will and testament.

First, we wish to leave with Mr. Crosley and the faculty, our gratitude and appreciation for their untiring patience and understanding, and to our advisors, Mrs. Austin, Mrs. Williams, Mr. Pepper, and Mr. Allen, for helping us to make our high school career a success. To the present Freshman Class, we leave our best wishes for your remaining years at T.C.S. To the Sophomore Class, we leave our reputation and ability as an outstanding class. Finally, to the present Juniors, we leave the following tokens of remembrance:

Carol Krause leaves to Carole Martin her ability to be heard. Add this to your own, Carole, and we will be hearing a lot more from you—if possible!

Bob Abbott leaves his size and strength to Doris Granger, Mel Herald and Virginia Hence. This added size ought to give these pint-sized basketball stars unlimited success.

To Stan Seeley, Bob Aldrich wills his quietness and amiability.

Trilby Aldrich leaves for Bob Ramsey her success as class president. Added to Bob's ability, he should make an outstanding leader.

Mary Ann Baker leaves her cheerfulness and smile to Mary Lou Miller. You're lucky to get a gift like that, Mary Lou.

Richard Briggs leaves his position with the Apulia Fire Company to Richard Ransom. That is, if he can stop clowning around long enough to put out a fire.

To Bill Krawczuk, Marilyn Brown leaves her talent in playing the clarinet. Combined with his own, this should turn Bill into a second Benny Goodman!

Shirley Brown leaves her quietness to Linda Bardwell. Some of you may think of Linda as being quiet already, but if *you* knew Linda like *we* know Linda . . .!

Margaret Chapman leaves her overwhelming interest in Gym Class to Peggy Lathrop. Mrs. Williams, LOOK OUT!

To Doris Maahs, Louise Comstock leaves her perfect pitch. Here's to success in Glee Club, Doris!

Dick Dockstater wills his ability to enjoy life to Ed Wortly. Live it up, Ed!

Mary Louise Drumm leaves a "ring" to Joyce Kenyon—a ring on the phone, that is. (You'll have to see Jack about the other kind, Joyce).

Caroline Fellows agrees to leave her ability as accompanist to Joey Long. Practice up, Joe, the chorus will need one next year.

Clair Fuller leaves his Studebaker to Chuck Carlton. Now Sally will be able to ride in style!

To Bill Padget and Ed Nurenberg, Richard Gardner decided to leave two positions in the Marine Corps. We hope you will enjoy it as much as Dick does.

Janet Glasgow wills to Dale Darling her scholastic ability. Maybe this will help you in passing History, Dale.

Jim Hallenbeck leaves his "practical jokes" to Danny Springston. Heaven help the teachers next year!

To Shirley White and Lucille Rice, Maggie Hoag wills her natural acting ability. Now Mrs. Austin will be all set for next year.

Dave Hoefer has decided to leave his rating as "Most Eligible Bachelor of the Senior Class," to Billy Baker.

Bev Kehrer leaves her knowledge of how to catch a college man, to Betty Wood and Sylvia Aldrich. This should give the Tully boys something to work for!

Barb Maahs, at long last, has decided to reveal her secret of how to become a success in Gum Class to Priscilla Henderson.

Donna Mayerle leaves her shyness to Richard Hillenbrand and Tom Kavney. We like a little more peace and quiet around here.

When Dale Mortis goes to work for Uncle Sam in the Navy, he has decided to leave Jeanette his car as a keepsake—now all you need is a driver's license, Jeanette.

Peggy Murphy leaves her "high" position as Chief Marshal to Dorothy Hobart and Judah Currie. Two can handle the job better than one—it is a difficult job, you know!

After due consideration, Marshall Neuman has agreed to leave "Barb" in the care of Dave Blakeslee and Thurlow Cowles. Take good care of her, boys!

Elimor Piper's willingness to do extra work without reward, is left to Gene Olcott. The teachers could use a litle extra help around the school.

Phil Reitano leaves his acquaintances in Skunk Hollow to Ken Stewart, Harold Brown, and Ray Spaulding.

Mary Ryan leaves her winning ways with the boys to Sally Gambell and Delia Piper.

To Louis Currie, Bob Steger leaves his job at the Marybelle. This will give Doris a little more time to spend on other things.

Susan Trach leaves her skill in passing a hard test to Sandra Stewart. We could all use a skill like that, Sandra.

Lynn Usher leaves his outstanding ability in Math to Alan Sickmon and Jack Potter.

Jack Weisbrodt gladly leaves his seat in the Senior Class to his brother, Bill.

Last, but not least, Linda White leaves to Dorleon Baldwin and Pat Granger her success in "nailing one for keeps!"

In witness thereof, we hereby affix our name, on this ninth day of March, Nineteen hundred and fifty-six.

SENIOR PLAYS

SENIOR PROPHECY

The year is 2000 A.D. and the scene is in the attic. Granny is searching for her extra set of false teeth in her trunk when she comes upon a shoe box, stuffed with old newspaper clippings and the like. She takes them one by one and soon becomes absorbed.

Tully Times headlines in 1960—Graduate RN, Mary Ann Baker and local Agriculturalist Richard Dockstater elope to California where they intend to raise—peaches!

The Tully Times was soon to become the most widely circulated periodical on the East Coast, with local Tully graduate, Linda White as Editor, whose life ambition was to be a journalist.

Robert Steger, a "summa cum laude" graduate of Syracuse College of Forestry, has now attained the position of chief Forest ranger atop Truxton Hill. Competition gets stiffer as it gets closer, doesn't it Carol?

Apulia Station has finally gained fame on account of the newly created Briggs and Brown Art Studio. On the side, Shirley and Dick have found it necessary to reopen the Apulia School. Richard Gardner, who we could see was destined to fame, has now reached the position of Chief Flag Raiser on Staten Island. In his spare time, he practices his "rivival" speeches and plans to soon replace Billy Graham!

Phil Reitano wandered for many years from place to place, seeking work in an orchestra as a trumpeter. He now has his own dance band and recently appeared in Carnegie Hall.

Dale Mortis deserted the Navy because he was continually sea sick. Instead, he thought it best to remain stationary and so enlisted in the Army, he's a career man now!

Donna Mayerle took a post graduate course at Tully Central in order to keep track of Harold. In more recent years, they've been raising "Brownies."

Barbara Maahs, after much indecisiveness, attended Cortland State Teachers, majoring in Physical Education. She now administers a Recreation Center in Otisco.

Lynn Usher, having acquired much knowledge handling money for the Class of '56, was recently appointed President of the Small Change Incorporated, a branch of the United States Treasury.

Maggie Chapman and Bob Shute have decided to retire from Grange and enter the coal business. They are now raising little "Shutes."

Susan Trach has gained her fame and fortune as the country's most prominent member of the society TAEHC!

Jack Weisbrodt was recently appointed Secretary of Agriculture after gaining much experience working on farms surrounding Tully.

Carol Krause, tired from chasing Bob, finally gave up and married Johnny!

Davie Hoefer, having been jilted innumerable times, is now a leader in the world's largest YMCA.

Mary Ryan, having become well acquainted with Phys. Ed. Cortland Cadets in High School, changed all of her previous plans and is now Supervisor of male practice teachers there.

Maggie Hoag is now operating the Hoag "Learn to Fly" business; the "one-easy--lesson school!" The Driver's Ed. course really helped, right, Mag?

Jim Hallenbeck, having gained practical experience, is now a national TV star under the name of "Dude Wrangler" alias, Terry Golden.

Elinor Piper's ability to play basketball was brought forth in the Faculty-Senior game where a talent scout from the Harlem Globetrotters signed her immediately as appointed executive of the national committee on the Inflation of Basketballs.

Bob Abbott, climaxing his brilliant career in school, is now Professor of Mathematics at Skidmore.

After creating and patenting a self-service "Snack Wagon," Janet Glasgow retired on her first million.

Having inherited his driving ability from an old art teacher of his, Clair Fuller is now the Proprietor of the Junk Yard, the largest of its type this side of the Mississippi.

From her summer's work in Canada, Louise Comstock seemed to have gained much experience. This came to view when she took over Apulia's best loved Pizza Palace!

Marshall Neuman established the first speedway in Tully's history. Anyway, Marshall's driving (street) has improved.

Destined for fame, Peg Murphy, after receiving several education degrees at Cortland State, recently replaced Frances Horowitz on "Ding-Dong School!"

Trilby Aldrich and Bev Kehrer leaped—over Niagara Falls in a barrel. Trilby, having received life saving instructions, swam away. Poor Bev was left to drown.

Bob Aldrich, through previous connections, has recently been appointed Warden of the Rome State School.

Mary Louise Drumm married Fred Stone. They now are in the pebble business.

Recent reports from Mexico indicate that Caroline Fellows is one of the 10 most unwanted criminals there.

The shoe box empty, Marilyn Brown descends the attic stairs into the playroom of her estate on Skidmore Campus where she is confronted by her 75 howling kiddies! She is now in the state of exhaustion for this reminiscence has proved to be most trying.

The beginning of our Junior year started with a magazine contest. We participated in a number of other activities including a turkey supper in the fall along with a dance. The second semester started with a food sale, another dance and a paper drive. To round out our activity program we held the Junior Prom at the end of the year.

The Tully Central School Band under the direction of Mr. Burt McKeon had a full year of activities. For the first time the band has elected officers: Robert Abbott, president; Marilyn Brown, secretary; and Mary Ann Baker, treasurer.

Many people were chosen to represent Tully in the different State and County organizations. For the Junior All-County Band Richard Cardner and Helen Padget were chosen. Senior All-County Band representatives were Louise Comstock, Caroline Fellows, Margaret Hoag, David Hoefer and Margaret Murphy; for orchestra, Cathleen Mitten. All-State Representatives were: Judy Rothery, Marilyn Brown, Suzanne Foster, Shirley Fuller, Philip Reitano. Tully was certainly well represented.

The Annual Spring Concert gives the people of Tully a chance to hear the band. The State Music Competition and All-County Contest which the whole band participates in are big events on the Band's calendar.

The favorite music of the band varies from section to section. The clarinet section enjoys playing "Stratosphere" while the trombones enjoy "Trombone Swing." However, the one number that the whole band enjoys is "Peacock's Fancy." This music with its Latin-American rhythm puts everyone in a festive mood, and is gaily received by all listeners.

The Tully Central School Band has played good music, enjoyed by its listeners for many years in the past and will continue to for many years in the future. The school certainly can be proud of its fine band.

The Tully Central School Chorus is now under the directorship of Mr. James Halbert who replaced Mrs. Wilson in February. We are preparing to regain our "A" rating at the Annual State Music Competition, held at Syracuse University.

The chorus is divided into two groups, Massed Chorus and Varsity Chorus. The Varsity is chosen on the basis of musical experience, scholarship, responsibility, and attitude.

There are many songs that the Chorus enjoys singing, but "Where in the World But in America," "Madame Jeanette," are among the top favorites.

The big event of the year will of course be the Spring Concert. We are planning to make this the best concert in the history of the school. We are confident that under the direction of Mr. Halbert we will have a very successful year.

FOOTBALL

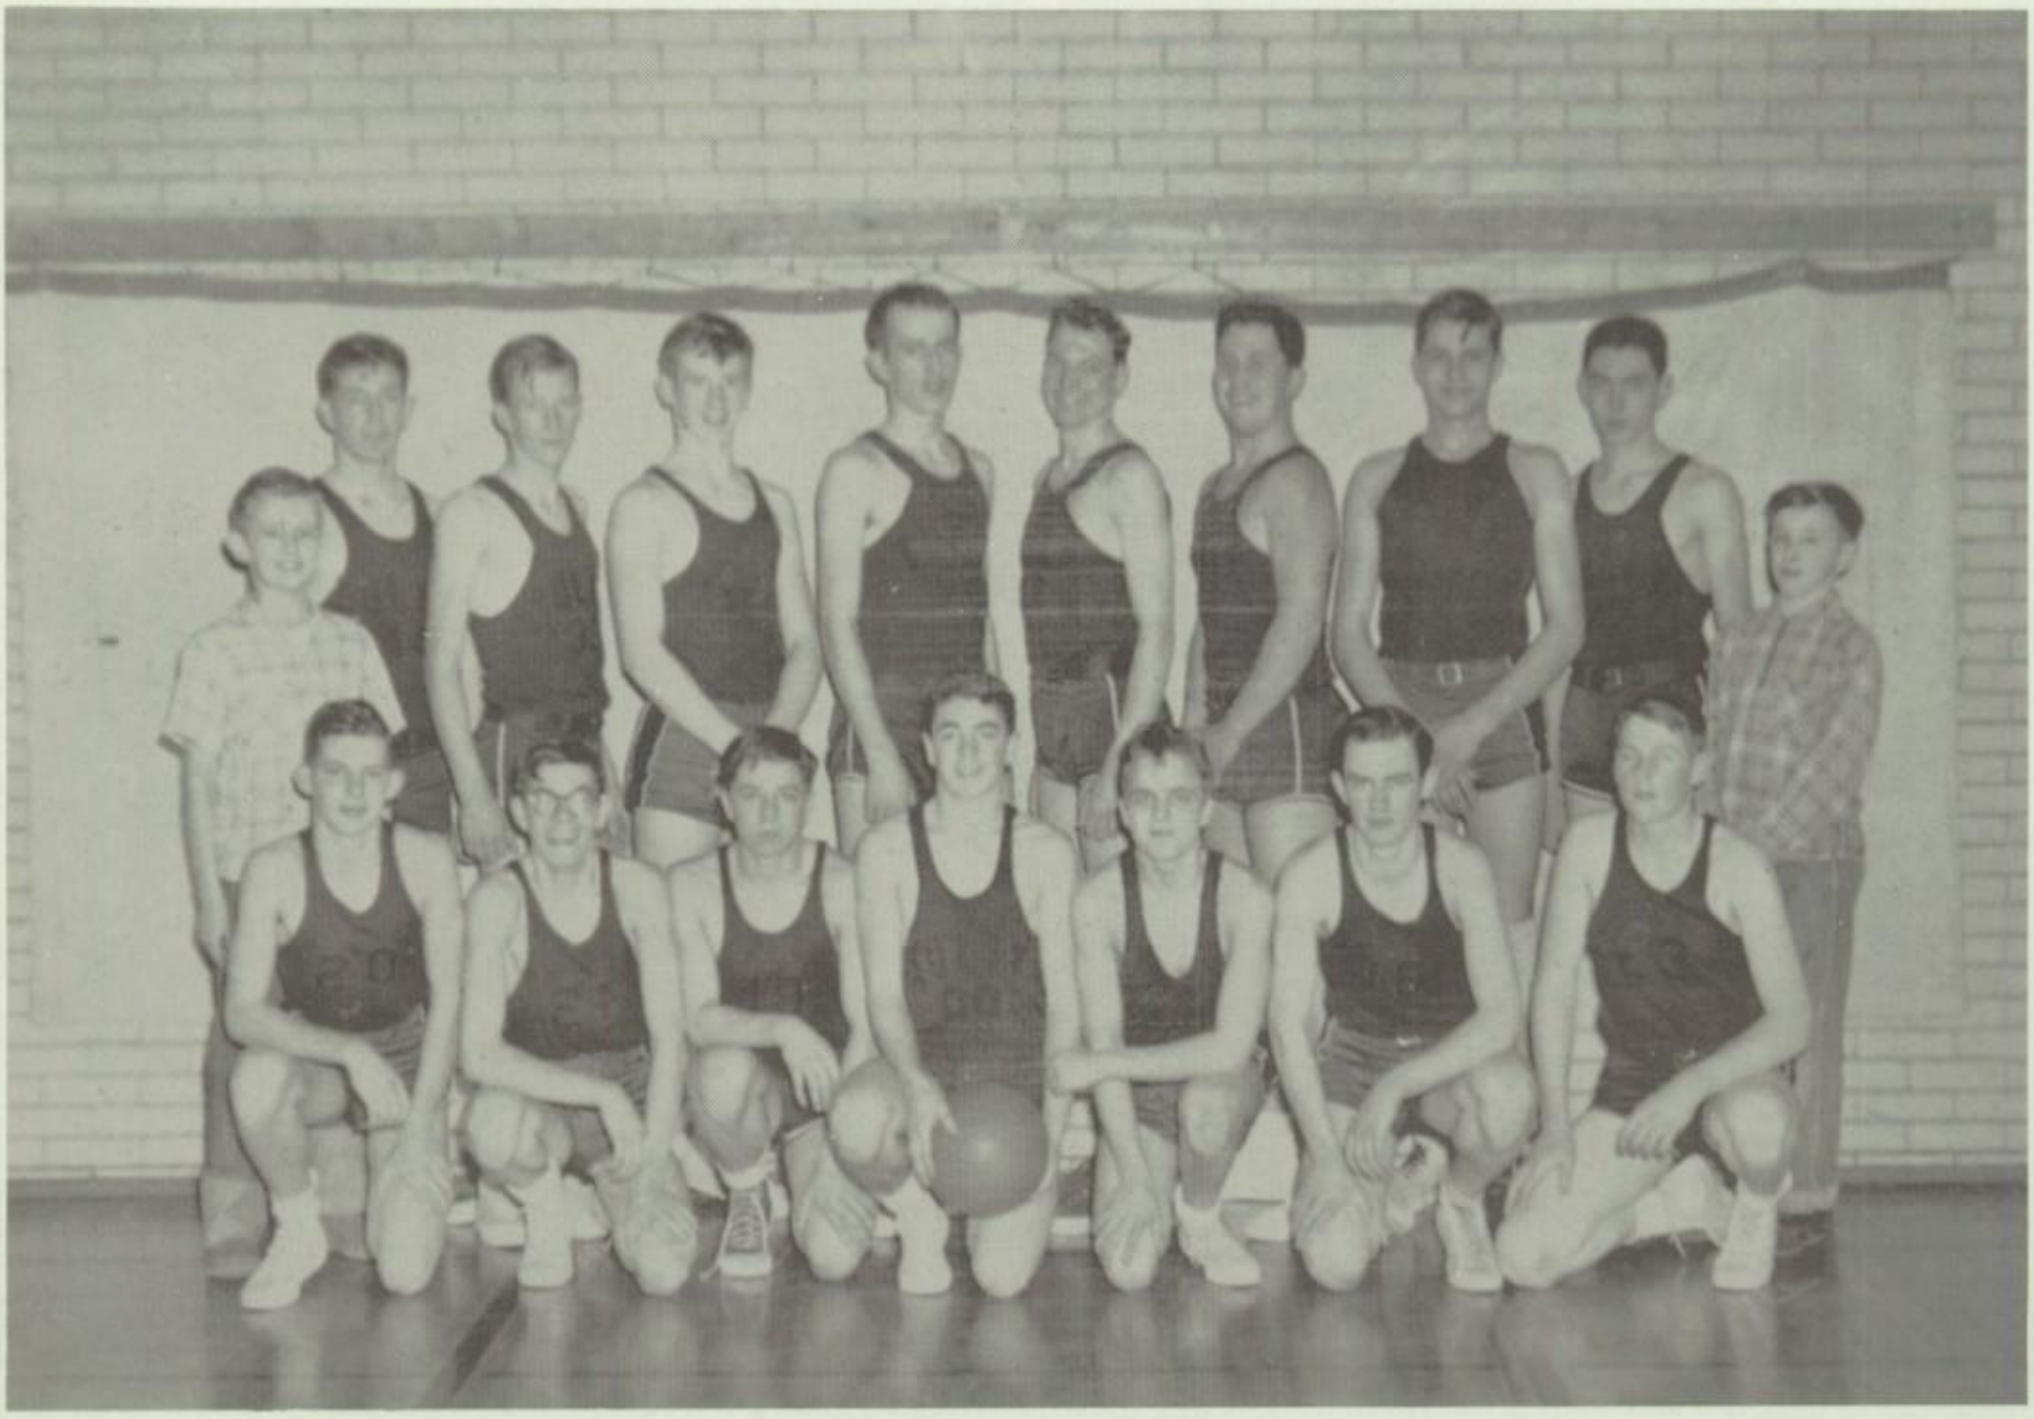
Our boys began the '55 football season with a fine spirit and almost to the man looked like they enjoyed the game. Attendance at the practice sessions was very good and the boys worked hard. T.C.S. had the most solid team at every position in years. We were especially happy by being victorious in the first game played on our new field. A Tully team never made a greater defensive performance as our team showed against high-scoring Elbridge. It was the best team effort of the year.

Co-Captains Bob Abbott (center) and Dick Dockstate (guard) did a fine job leading the team. Dick Gardner filled the other middle spot in the line and did a fine job. Ends Dan Springston and Dave Hoefer played their end positions well. Hoefer did most of the punting in addition to his other chores. Justin Fitzpatrick, Judah Currie, and Bruce Carlton shared line and backfield assignments.

The backfield trio of Ramsey, Potter, and Lou Currie clicked well as a unit. Potter did an excellent job calling signals. We were proud of our team and the manner in which the players conducted themselves.

JUNIOR VARSITY BASKETBALL



Front row: W. Hoagland, B. Baker, D. Shorey, co-captain, S. Seely, P. Mickelson, J. Fitzpatrick, B. Ellis. Second row: T. Hancock, R. Griffith, B. Bush, T. Brown, co-captain, B. Benedict, K. Stewart, G. Ackles, H. Spencer, L. Beak, K. Conklin.

The Junior Varsity team climaxed a good season by earning the fourth spot in the Onondaga County C.D. League playoffs. The squad was capably led by Bill Benedict and Stan Seely, co-captains. We hope they will continue to do as well as they advance to Varsity Play.
